

Hi 6th Graders!! I sure do miss you all and I hope you are all doing well! Your **Week 7** assignments to keep our “brains engaged” are below. If you have any questions just email me and I will get back to you. You will need to email me your completed assignments. This is now mandatory unless you have made arrangements with me. You can send me word documents, or you can take a picture of your assignment that you wrote by hand and then send it to me. You can check your grades as I have been grading your assignments.

May 4-10

You are going to be reading **The Bear Attacks That Changed America** in your May, 2020 Scope Magazine. Log on to your Scholastic Scope Magazine and log on as a student; **PHNXSDJ**. Some of you are having trouble getting on scholastic: go to the link that says **logged in**, not **login**. Then the next screen asks you to **login** as a student, then put in the code. You should be good to go!!
